

1 Series MX Modular FRL Units

	Series MX Filters
	Series MX Coalescing filters
	Series MX Activated carbon filters
	Series MX Pressure regulators
	New Series MX Pneumatic pilot operated pressure regulators
	Series MX Lubricators
	Series MX Filter-regulators
	Series MX Lockable isolation 3/2-way valves
	Series MX Soft start valves
	Series MX Take-off blocks
	Series MX Accessories
	Series MX Assembled FRL

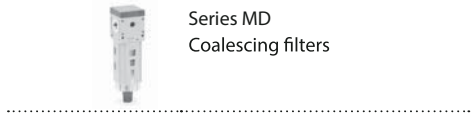

2 Series MC Modular FRL Units

	Series MC Filters
	Series MC Coalescing filters
	New Series MC Activated carbon filters
	Series MC Pressure regulators
	Series MC Lubricators
	Series MC Filter-regulators
	Series MC Lockable isolation 3/2-way valves
	Series MC Soft start valves
	Series MC Take-off blocks
	Series MC Accessories
	Series MC Assembled FRL
	Series MC Manifold pressure regulators

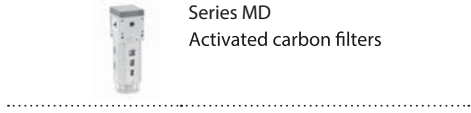

3 Series MD Modular FRL Units

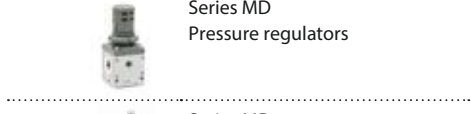

Series MD
Filters

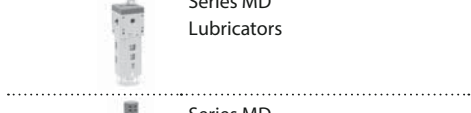

Series MD
Coalescing filters

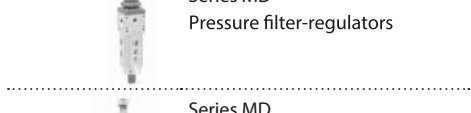

Series MD
Activated carbon filters

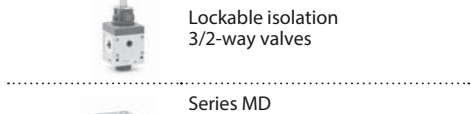

Series MD
Pressure regulators

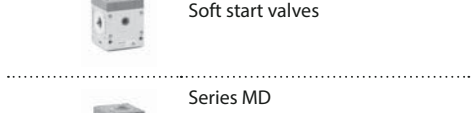

Series MD
Lubricators

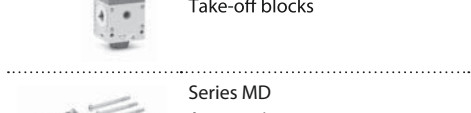

Series MD
Pressure filter-regulators

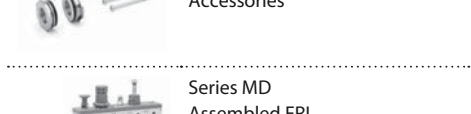

Series MD
Lockable isolation
3/2-way valves

Series MD
Soft start valves

Series MD
Take-off blocks

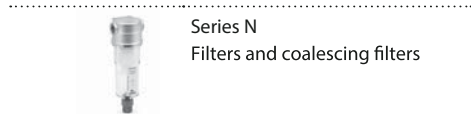

Series MD
Accessories

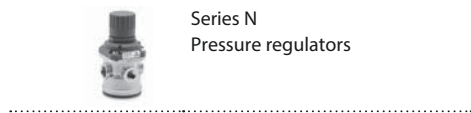

Series MD
Assembled FRL

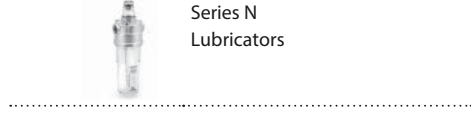

4 Series N FRL Units

Series N
Filters and coalescing filters

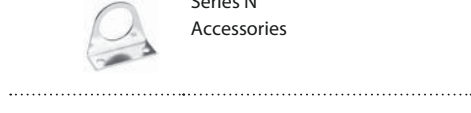

Series N
Pressure regulators

Series N
Lubricators

Series N
Filter-regulators

Series N
Accessories

5 Pressure regulators

Series CLR
Micro pressure regulators

Series TC
Pressure microregulators

Series M
Pressure microregulators

Series T
Pressure microregulators

Series M, T
Accessories

Series PR
Precision regulators
with manual override

6 Pressure switches and vacuum switches

Series PM, TRP, 2095
Pressure switches, Transducers,
Pressure indicators

New

Series SWMN
Electronic vacuum/pressure
switches in mini format

Series SWDN
Electronic vacuum/pressure
switches

Series SWCN
Electronic vacuum/pressure
switches

7 Accessories for air treatment

Pressure gauges

Series PG
Digital pressure gauges

Condensate drains
Filtering elements
