

1 Electromechanical cylinders

Series 6E
Electromechanical cylinders

2 Electromechanical axes

Series 5E
Electromechanical axis

Series 5V
Vertical
electromechanical axis

3 Drives

Series DRWB
Drives for the control
of electric actuation

Series DRCS
Drives for Stepper motors

4 Motors

Series MTB
Motors for electric
actuation

Series MTS
Motors for electric
actuation

Series GB
Planetary gearboxes

Series CO
Motion transmission devices
