

1 Directly and indirectly operated 2/2 - 3/2 solenoid valves

Series K8
Directly operated solenoid valves

Series K8B
Pilot operated solenoid valves

New

Series K8DV
Directly operated solenoid valves with fluid separation membrane

Series K
Directly operated solenoid valves

Series KN and KN HIGH FLOW
Directly operated solenoid valves

Series W
Directly operated solenoid valves

Series P
Directly operated solenoid valves

Series PL
Directly operated solenoid valves

Series PN
Directly operated solenoid valves

Series PD
Directly operated solenoid valves

Series PDV
Directly operated solenoid valves with fluid separation membrane

Series A
Directly operated solenoid valves

Series 6
Directly operated solenoid valves

Series CFB
Solenoid valves

Series CFB stainless steel
Solenoid valves

2 Solenoid valves, pneumatic valves

Series 8
Pneumatic operated cartridge valves

Series 8
Pneumatically and electropneumatically operated valves

New

Series TC
Shut-off micro-valves

Series E
Valves and solenoid valves

Series EN
Valves and solenoid valves

Series 3
Valves and solenoid valves

Series 4
Valves and solenoid valves

Series 9
Valves and solenoid valves ISO 5599/1

Series 7
Valves and solenoid valves VDMA 24563 (ISO 15407-1)

Series NA
Valves and solenoid valves

Series GP, B, G, U7, A8, H8
Solenoids

3 Mechanical and manual valves

Series 2
Mechanically operated
minivalves

Series 1, 3
Mechanically operated
valves

Series 3, 4
Mechanically operated
sensor valves

Series 2, 3
Foot operated pedal
electrical and pneumatic

Series 2
Manually operated
console minivalves

Series 1, 3, 4 VMS
Manually operated valves

Series 2
Mini-handle valves

4 Logic valves

Series 2L
Basic logic valves

5 Automatic valves

Mod. SCS
Circuit selector

Series VNR
Unidirectional valves

Series VSO, VSC
Quick exhaust valves

Mod. VMR 1/8-B10
Adjustable overpressure
exhaust valve

Series VBO, VBU
Blocking valves

6 Flow control valves

Series SCU, MCU, SVU, MVU,
SCO, MCO
Flow control valves

Series PSCU, PMCU, PSVU, PMVU,
PSCO, PMCO
Flow control valves

Series TMCU, TMVU, TMCO
Flow control valves

Series GSCU, GMCU, GSVU, GMVU,
GSCO, GMCO
Flow control valves

Series RFU, RFO
Flow control valves

Series 28
Flow control valves

7 Silencers

Series 29...
